pulchritudo fulgebunt iusti sicut sol. Si
libertas aut fortitudo similes erunt
angelis dei in celo. Si longa et sa-
lubris vita in qua sanitas eterna
Si sanitas et claritas saciabuntur
gloria dei. Si ebrietas inebriabuntur ab ube-
tate domus tue. ~~Si securitas et cer-~~
titudo. Si melodia ibi angelorum chori conci-
nunt. Si sanctitas et amicitia diligent
deum plus quam se et omnes una volun-
tas. Si honores et divitie constituet
deum super omnia eius. Si securitas et
certitudo in omni tempore eterna leti-
tudo. Certe cor humanum cor indigens
cor expertum erumnas ymmo ob-
rutum erumnis quantum gauderes
si his omnibus habundares. Interroga
intima tua si capere possint gaudium
suum de tanta beatitudine sua.
Si hec tanta bona [illegible] capiet
gaudium ipsius [illegible] tot
gaudiorum quanto magis celestes
ubi unusquisque tantum diliget aliorum
sicut quantum semetipsum et tantum de quo-
libet gaudebit quantum quantum eum
diliget. Ita vel et quanto plus alios
amabunt [illegible] et [illegible]
et eum dilectione gaudebunt solummodo
quam deum toto corde tota mente tota
anima diliget. Ita ut plenitudinem illius
gaudii totum cor tota mente tota anima
mea non sufficit. Quantum gaudebunt
tantum amabunt. Tantum
amabunt quantum videbunt. Certe in
oculus vidit nec auris audivit
nec in cor hominis ascendit quantum
te amabunt et cognoscent. Oro

deus meus ut cognoscam te amem
te ut gaudeam de te.
Et si non possum ad plenum in hac
vita crescat saltem notitia tua et a-
mor tui et sit plena gaudia
hic sint in spe et ibi in re. Domine pater
per filium tuum consulis ymmo iubes
petere et promittis accipere ut
gaudium meum plenum sit. Peto
domine quod per admirabilem consiliarium
tuum consulis pete et promittis
accipiendum ut gaudium meum ple-
num sit. Meditetur interim inde mens
mea loquatur inde lingua mea
esuriat illud anima mea sitiat caro
mea desideret tota mea substantia
donec intrem in gaudium domini mei qui est tri-
nus et unus benedictus in secu-
la seculorum. Amen.
